Decontamination Request Form

Tel: 604.878.3077 Toll Free: 877.7.raeyco Fax: 604.357.1725 Email: customercare@raeyco.com www.raeyco.com

Dear Customer,

Thank you for choosing Raeyco as your pipette calibration servicing specialist. To ensure that your request does not incur any delays, please observe the following:

Fill this form and include it in with the shipping vessel. Use more than one form where necessary.

For pipettes, please take notice of all pricing and shipping details outlined on the Pipette Pricing Chart

For pipettes, we do not replace missing tip ejectors or friction rings unless specifically requested on this form

***For all other instruments**, Basic Calibration will not include the calibration data

In any case that a decontamination form is not filled, the service requested may be delayed.
